

Community Center

Rental Guidelines

Rooms at the City of Wickliffe Community Center are available for rental to Wickliffe residents on Friday evenings after 5 pm and on Saturday and Sunday all day until 10 pm. The capacity per room is 48 persons. Requests for rates should be directed to our Rental Manager at 440-373-5015.

The kitchen is available at a rate separate from the room rental. The ovens and stove may be used only for warming of your fully cooked food. No kitchen equipment (including utensils) is provided.

Our alcohol-free facility is not available for any for-profit events or for any type of gambling event.

A security deposit of \$100 is required for all events. Any damage to the facility will be deducted from this deposit.

Trashcans and bags are in each room. We ask that you place your trash in the outside dumpster at the end of your event.

Use of the exercise room, poolroom, craft room, library, or computers is not included in the rental of rooms at the Community Center.

This provides an overview of the guidelines established for use of the City of Wickliffe Community Center. Complete details are available from the Rental Manager and our Web site.
