

2010 YARD OF THE YEAR

We are asking Wickliffe residents to nominate their choice for Yard of the Year. You may nominate your own home or a noteworthy home in your neighborhood. All nominations will be given to the Yard of the Year committee for final evaluation. Yards will be evaluated on the criteria listed below, not on the number of nominations received for that yard. You may make copies of this form to nominate more than one yard, and additional copies of this form are available at Wickliffe City Hall.

Using the following suggestions for evaluating your nominee, view the property from the street or sidewalk, comparing the property to those in the surrounding area.

- § Are the trees well maintained, trimmed and healthy?
- § Are shrubs trimmed and their shaped integrated into the landscape?
- § Is the lawn in good condition for the time of year?
- § Are flower beds well defined, edged and mulched?
- § Are the flowers flourishing, well-watered and attended to?
- § Are there any weeds in the flower beds or yard?
- § Is the home itself in good repair, gutters in good shape, paint in good condition?
- § Compare property to others on the street – is it outstanding compared to others?

Every year the Keep Wickliffe Commission chooses four (4) Yard of the Year winners, one winner from each of Wickliffe’s four wards. The Yard of the Year Committee will review each nomination and will evaluate them on color, balance and condition of yard and plantings. Judging will take place at the end of July.

Fill out the form below and mail it to Keep Wickliffe Beautiful at Wickliffe City Hall, or fax it to Keep Wickliffe Beautiful at (440) 943-7107. Nomination deadline is July 31ST.

YARD OF THE YEAR NOMINATION FORM

I would like to nominate the following home for Yard of the Year.

Name of Nominee (if known)	
Address of Nominee	
Why does this property deserve an award?	
Your Name	
Your Phone Number	
Your Address
