1. Service Department Report/Grounds Maintenance Mayor Ruffner had a crew pull the tall weeds from the walkway and the urns and hoses have been stored for the winter. The new brochure has been printed and available to the public. The new large map for the cemetery's bulletin board is also finished. Ms. Rotondo stated that Mayor would provide a copy of it for the cemetery office.

2. Scatter Garden Mr. Gargiulo would like to open discussion on a scatter garden. Chairperson Kirsch recommended the area at the bottom of the steps and to the left along the retaining wall as a good location for a scatter garden. Ms. Havanas asked if you must inter a deceased indigent in the city cemetery. Most likely, you do not, because other cities do not have a cemetery or columbarium. After further discussion, Ms. Havanas motioned, If the State of Ohio requires that a deceased indigent be interred in that city's cemetery, then the Board will consider opening a scatter garden. If the State allows the interment at the county cemetery, then the Board will no longer discuss the scatter garden. Mr. Ciancibello seconded the motion.
