Comments

	<p>Mrs. Rosenberger wondered about the bus stop signs, whether they needed approval from this Board. Mr. Sack noted that they requested permission from the Service Director. The signs are in the city's right-of-way.</p> <p>Mrs. Darcy noted that she missed the tulips and daffodils in the planters along the avenue.</p> <p>Mrs. Rosenberger noted that the Ponderosa building is down. It was noted that there are seven more buildings that will be coming down, but it is a slow process. The EPA is testing for asbestos.</p>
