Discussion

Council President Levon, after noting this was discussed in a Finance Committee meeting three weeks ago, asked if any Council members had any questions. There were no questions from Council.

Audience Participation

Council President Levon opened the floor to Audience Participation at 6:46 PM.

There were three calls for anyone wishing to comment or question with no response.

Mr. Gerhardstein asked Finance Director Hunter, regarding the activity fund, does the reduction of the Local Government Fund change anything. Ms. Hunter noted that it would decrease this, but at the time this was completed, there had not been a decision made regarding the Local Government Fund. The numbers included here assumes there was no change in the LGF. This is our initial estimate. We will be sending an updated estimate at a later date. Mr. Levon noted this is not technically the final, and Ms. Hunter agreed this is not the final estimate.

Mr. Levon closed Audience Participation at 6:47 PM.
