That brings us to the Public Hearing before City Council today.

For the purposes of tonight's hearing, this is an opportunity for members of the public to speak for or against the proposed zoning change.

Mr. Iosue noted the next step is to swear in anyone who wishes to speak for or against the rezoning; they will be asked to stand and be sworn in. He asked anyone who will be speaking to stand to be sworn in.

As there were no guests, Council President Levon did not need to open the Audience Participation portion of the meeting.

Council President Levon invited comments from Council members.

Councilperson Jaworski noted that when this was approved by the Planning Commission, this lot was already split off and the property is now being rezoned from Institutional Recreational to R1-75.

Councilperson Gerhardstein noted this is the last lot on Bishop before the highway. There is a space left intentionally between the two driveways (the previous rezoning request and this request) in case the need arises to build a road to access the currently undeveloped property behind these lots.

There being no further comments, Mr. Levon recommended the Law Director prepare legislation for the upcoming council meeting to rezone the portion of 29-B-010-0-00-012-0 located at 2690 Bishop Road in the City of Wickliffe, Ohio as a Residential R1-75 lot.
