

The City of
Wickliffe

Residential Winter Quarter Average Program
(formerly Summer Sprinkling Program)

The City of Wickliffe offers a program for eligible homeowners, which **could** reduce sewer charges. Charges incurred during the **adjustment** period (summer billings – between May 1 and October 31) based upon usage during the **evaluation** period (winter billings – between November 1 and April 30). Summer bills reflect prorated sewer charges based on average water consumption during winter billing months – both are dependent on the timing of the billing period for the individual property (billing dates vary by property).

This program applies to sewer charges only. Residents will still be charged for all the water used.

Residents who own and occupy a residential home within the City of Wickliffe and have resided in the home for at least one full year are eligible to register for the Program. A one-time administrative fee of \$20.00 must accompany the completed form below, which must be submitted by April 30 to qualify.

Once you are enrolled, you do not need to re-register each year.

----- **Send form with payment by April 30, 2024** -----
