

## *In Memory of . . .*

In 1996, the Keep Wickliffe Beautiful Commission established a

### ***Memorial Rose Garden***

as a special way to remember departed relatives and friends. The garden is located at the west end of Wickliffe City Hall in the Coulby Gardens. A Rose Garden was part of the original gardens of the Coulby Estate. It has been restored to its original beauty by the Commission as a memorial garden.

For a one-time donation of \$45.00, the Keep Wickliffe Beautiful Commission will plant and maintain a rose bush in remembrance of a departed loved one. In addition, a nameplate with the name of the memorialized person will be attached to the Rose Garden plaque located in City Hall. What a beautiful way to remember those special people who were important to you. To register for your memorial rose bush, please fill in the form below and send it with a check for \$45.00 payable to **Keep Wickliffe Beautiful Commission**.
